Dear Sir,

RE : CHONG LEK ENGINEERING WORKS SDN BHD

Please accept this letter as my highest recommendation of the construction firm, Chong Lek Engineering Works Sdn Bhd.

The success of any complex project depends in large measure on the team assembled and the team's ability to communicate and work collaboratively towards the goal. Chong Lek's service to the projects was excellent and their contribution to the construction team commendable.

Chong Lek Engineering Works Sdn Bhd has shown their ability to collaborate as team players and have been willing to be flexible with the schedules. Understand that it takes highly qualified personnel to maintain good relationship, manpower and material procurement were managed well and as adjustments were required Chong Lek smoothly made those adjustments to enhance the flow of construction progress.

It was a pleasure working with Chong Lek Engineering Works Sdn Bhd team and would welcome their contribution to future construction teams we work with. If you would like a reference for the future, we would be happy to provide one.

Thank you.

Yours faithfully,
APEX COMMUNICATIONS SDN BHD
